

TEXT MESSAGE (SMS) COMMUNICATIONS — OPTIONAL CONSENT

Child & Jackson, A Professional Law Corporation ("the Firm") offers an optional text-messaging (SMS/MMS) service for its clients. If you choose it, the Firm may text you **case-related service messages only**: case status updates, appointment and deadline reminders, requests for documents or signatures, and confirmations when you text us a photo or document. You may also text questions, photos, and documents to the Firm. No marketing or promotional messages are sent.

Providing this consent is voluntary. It is not a condition of retaining the Firm, of your retainer agreement, or of receiving any legal service. If you decline, your representation will be exactly the same, and the Firm will communicate with you by phone, email, and mail.

Message frequency varies with activity in your case. Message and data rates may apply. Reply **STOP** to any message to opt out at any time — opting out never affects your representation. Reply **HELP** for help, or call (916) 932-2170. Your mobile number and texting consent will not be shared with third parties or affiliates for marketing or promotional purposes.
